L'Abbaye de Maizières

Celebrate your wedding in a venue steeped in history for an exceptional occasion

Located in the heart of Burgundy, 10 km from Beaune, the Domaine de l'Abbaye de Maizières offers a unique blend of heritage, tranquillity and comfort.

Completely renovated, the Abbaye de Maizières is the birthplace of many of the great wines of the Côte de Beaune (Meursault, Puligny Montrachet...).

The abbey was founded in 1125 and is the only Cistercian abbey that still retains all its original features: vineyards, ponds, mill, orchard, gardens, chapel..

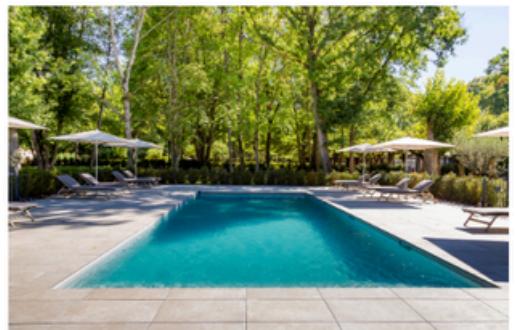

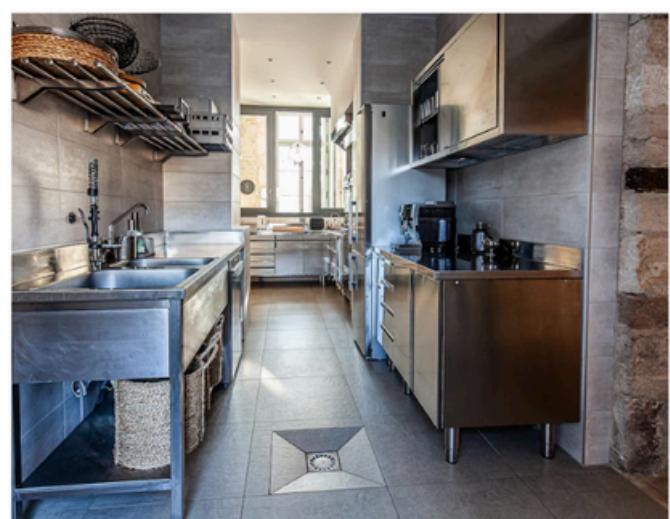

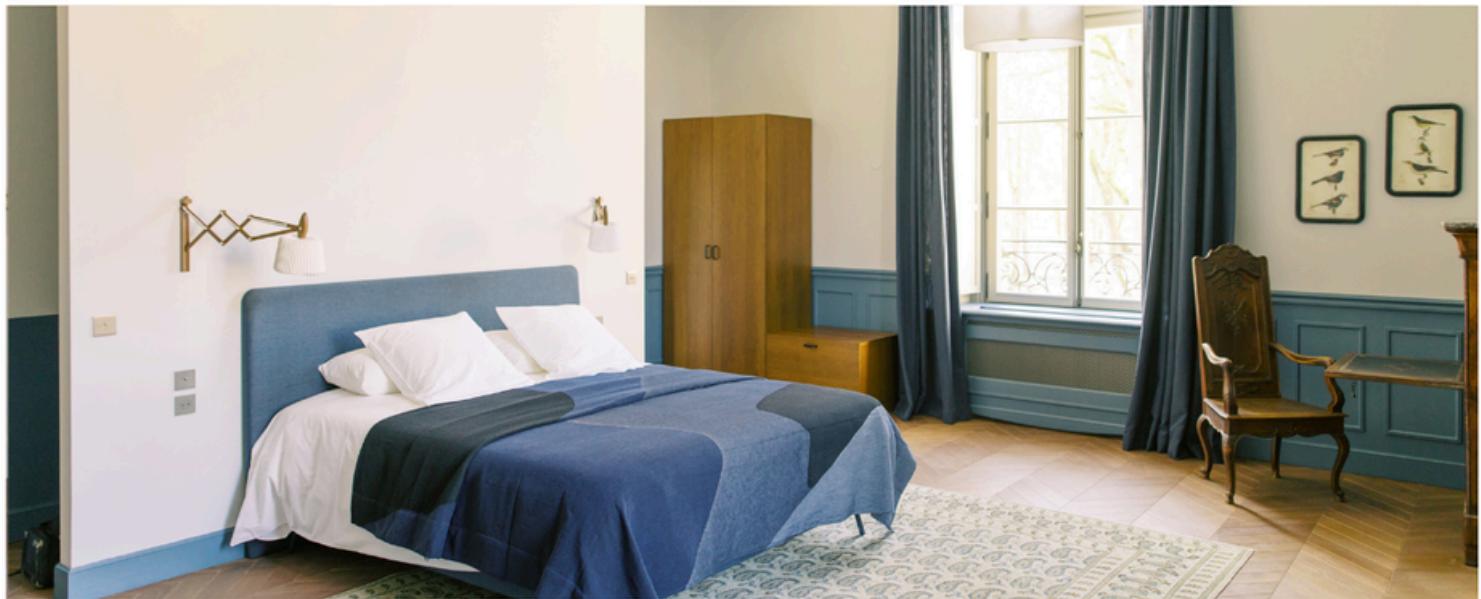

CASTLE OF MAIZIÈRES

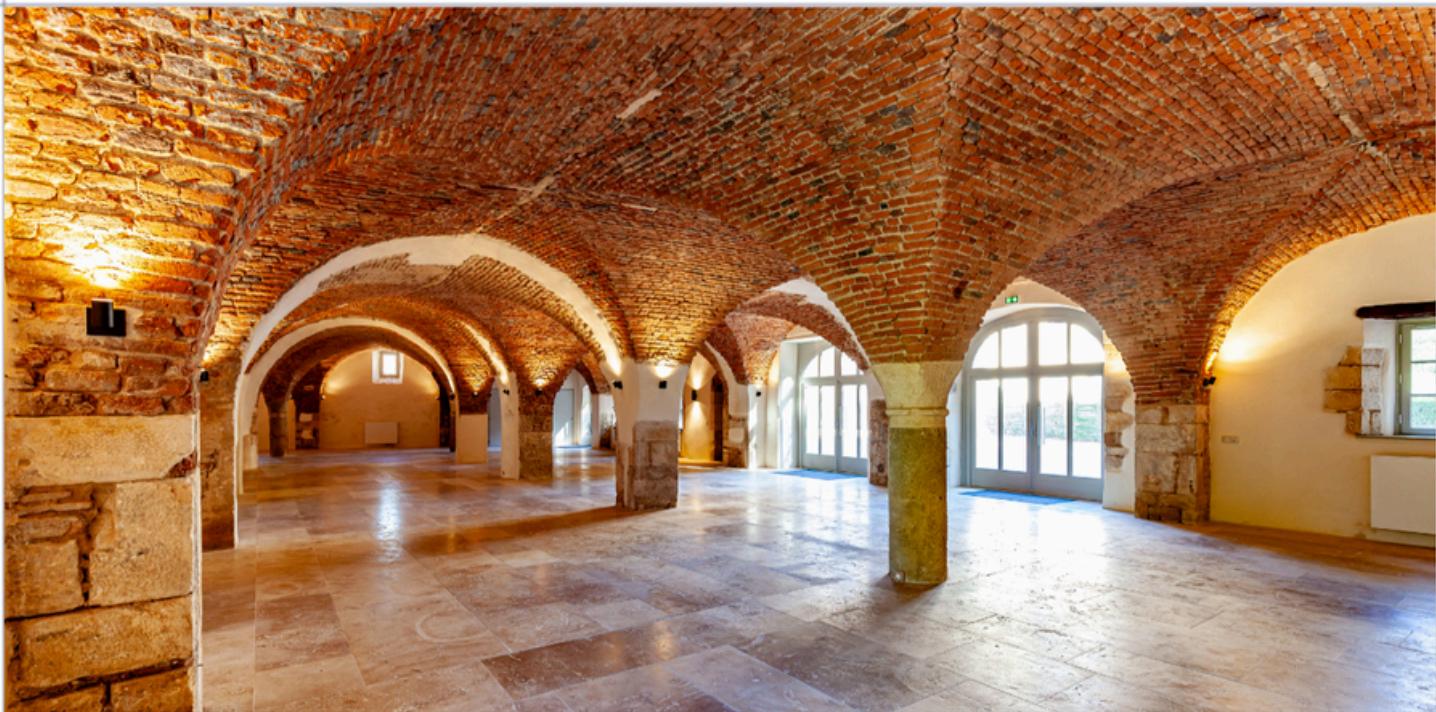

In a green setting crossed by the monks' canal, stands what was once, until the French Revolution, one of the wings of the Cistercian abbey. This wing remained standing despite destruction and was transformed into a château.

Today, it offers 1,400 m² of refinement to guests, including eight top-of-the-range bedrooms, a 120 m² flat suite, three large lounges, two dining rooms and a swimming pool.

The Castle is set in 9 hectares of parkland where vineyards, mill and gardens blend harmoniously to provide an idyllic setting for your wedding.

OUTBUILDING

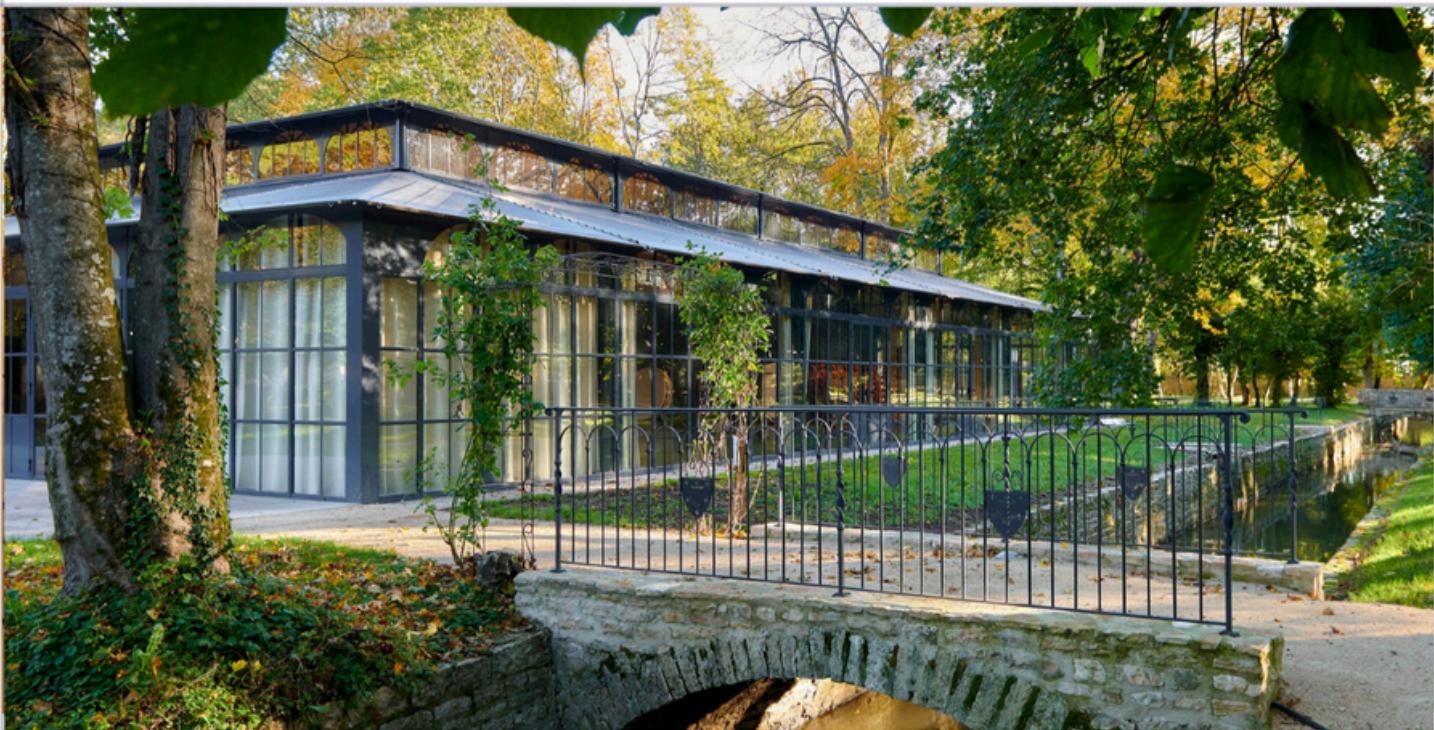

Located just a few steps from the Castle, the former vaulted cellars (above-ground) of the monks of Maizières Abbey will enable you to organise your wedding cocktail or your secular ceremony in a space full of history and renovated to the highest standards.

Thanks to its large terrace, your wedding cocktail can be held outside and take advantage of the Castle's grounds.

Outbuilding equipment :

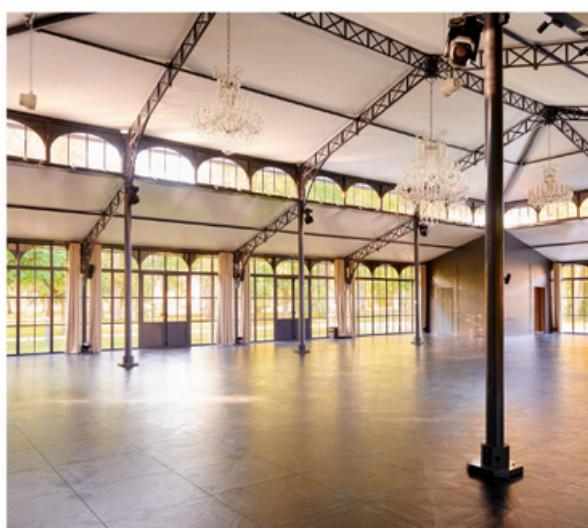

- A catering area
- Changing rooms and toilets

ORANGERY

Nestling in the heart of the park amidst century-old trees, the orangery is the perfect setting for your wedding dinner. This glass roof, with its simple, refined lines, is filled with pleasant natural light during the day.

Built in 2021, the orangery is of French design. Its elegant appearance, reminiscent of a 19th-century Baltard pavilion, is a natural fit with the historic setting of the castle de Maizières.

Orangery equipment :

- Top-of-the-range lighting (60 spotlights, 6 lyres, 16 spotlights)
- A sound system (large speakers, 4 subwoofers, microphones and a complete control room)
- Furniture (20 round tables and 195 wooden chairs)
- A catering area
- Changing rooms and toilets

OUR ACCOMMODATION FOR YOUR GUESTS
