

« E-CYCLING THE VINEYARD OF SANTENAY »

CAN'T WAIT FOR YOUR NEXT EXPERIENCE RIGHT IN THE HEART OF THE BURGUNDY VINEYARDS?

Indulge yourself with a bike ride through the Burgundy countryside.

Fill your lungs with fresh air and let us guide you through the terroirs of Santenay on a Lapierre **e-bike**. It's never been easier to enjoy the breath-taking scenery of our beloved **Côte de Beaune**.

Wine aficionados and nature lovers: this **UNESCO** World Heritage site holds everything for you, creating unforgettable memories from Santenay to Maranges.

Along the way, you can admire some of the most prestigious vineyards owned by the Château de la Créé. You will get sense of total immersion as we demystify the Burgundy classification, the **Santenay** appellation, and the historical Château de la Créé itself. Each plot has its unique **terroir**, so we discuss this impact and how the particular elements can be savored in the glass.

During a break at the **Sorine windmill**, we taste a wine with our feet in the vineyards while taking in the magnificent view. The experience concludes at the end of our 10km (6-miles) ride, with a tasting of three additional wines, led by one of our wine experts.

Tastings can take place in the comfort of our stunning 15th Century vaulted cellar. We also encourage outdoor tastings in the clos du Château.
