### Gastronomy

#### LES CRAPIAUX DU MORVAN (the Crapiaux is a kind of pancake, thick and salty)

In a bowl, prepare a dough using 300 g flour, 3 eggs and a few pinches of salt. Add some fresh cream and a little water to obtain a waffle dough consistency. Let the mixture rest. In a frying pan, grill over high heat 6 slices of lean bacon, preferably 8-10 cm long. Once they are well grilled, remove them and leave the pan on the heat. To fry the crapiaux (type of pancake) one by one, place a slice of bacon in the pan and add a spoonful of batter.

Once golden brown, fry the crapiaux on the other side. Serve hot.
