Following a briefing by Jean Luc, our vineyard manager, **sheer in hands**, you will begin picking the grapes. Of course, we will be with you during the entire experience to guide you and answer your questions.

On the way back, we will stop at the winery to assist to the first steps of **winemaking**.

Late in the morning you will enjoy a wine tasting in the **clos du château**, including **four wines of our 2020 vintage as pre-release**.

The tasting will be followed by a «**lunch Vigneron**» in the clos of the Château.
