

« LES CLIMATS EXPERIENCE »

It begins at the Château with a brief history of Santenay and the Château de la Créé, founded in 1431 on the land of Nicolas Rolin, Chancellor to Philippe le Bon, Duke of Burgundy.

Following this captivating story, we head to our vineyard, **Santenay - clos du Château**. The vineyard is planted with both Pinot Noir and Chardonnay, and spans a total of 1.5 hectare, or 3.7 acres. With fabulous scenery as a backdrop, the conversation turns to the **Burgundy classification** and the influence of the terroir looking to the geology, geography, and aspect.

The topic then changes to **the Santenay appellation**, Château de la Créé vineyards and, of course, winegrowing.

The «**Les Climats**» Experience ends in our stunning **15th-century vaulted cellar**, where we taste a satisfying selection of **six Château de la Créé wines, including a Grand Cru with small bites to match**, led by one of our knowledgeable experts.

Weather permitting, the tasting can be held outdoor by our Santenay - clos du Château vineyard.

Duration: 1hr 30m

59 € (inc.tax) per person for a selection of 6 wines including a Grand Cru.

The «Les Climats» experience can be private for a group of 4 and more.

Experience available 7 days a week from April 1 - October 31
and Tuesday to Saturday from November 1 - March 31
