

Les Vignerons de Mancey, the wine tourism for all !
Come to discover this unique place in South Burgundy !

Vines and Wines always played a really important part of tourism in Burgundy, by creating its international reputation. However, South Burgundy did not have a structure suited for wine tourism.

*To fill that gap, Les Vignerons de Mancey have recently build a beautiful and modern tasting room and a scenographic and sensorial area devoted to the vines and wines of Burgundy. 5 minutes from Tournus City Center, the city of art, history and gastronomy, famous all around the world, this funny and educational visit will give you all the keys that you need to understand Burgundy, its wines and history!
Your trip is going to be perfect!*

A PERFECT LOCATION :

Located on the edge of D906 (previously named RN6), 800 meters from the junction *27 on the highway A6, with a large parking (for cars and buses), we are ideally situated.
