Some useful information

Insurance: Your homeowner's insurance normally includes an appropriate clause for your stay at the holiday resort, which insures you for seasonal rental accommodation; you can also request a selective (usually free) extension

Cancellation: The tenant can withdraw for various reasons (unforeseen family event, illness, accident). In this case the deposit will be retained, unless the house can be rented to someone else. If the owners declares the withdrawal, they will refund the advance payment in full and undertakes to make the house available for the same period but at a later date free of charge.

Payment:

After receiving the deposit of 30% of the total rent and the signed contract (mail or post) your reservation will be validated by us. The balance must be received in our account 14 days before your arrival.
