

GRAND VIN DE BOURGOGNE

DOMAINE EVENSTAD

THE EPICUREANS' EXPERIENCE

Carpe Diem at **Domaine Evenstad**. During this private experience, discover the cellar and the winery, followed by a tasting of 6 wines, with a **Grand Cru**, accompanied by appetizers.

While the Domaine Evenstad's cellars, fermenting rooms, and tasting rooms are based in Santenay, in the Côte de Beaune, the vines cultivated by our estate can be found all along the Côte de Nuits. The plots represent six hectares, extending from Chambolle-Musigny in the south to Nuits-Saint-Georges, the capital of this wine area, and incorporating the Clos de Vougeot, an iconic, time-honored Grand Cru of the Burgundy wine region.

The **Epicureans' Experience** is private and tailored for you. From our region to our estate, discover the secrets of Burgundy. In the company of a dedicated wine expert, explore our ageing cellars and taste 6 wines, including **1 Grand Cru**, accompanied by appetizers.

Duration : 1h30

65 € inc. tax for a selection of 6 wines including a **Grand Cru**.

Available 7 days a week from April – October and
