*Creator of Experiences*

## About us

Created in 2019, the Vosne Tasting Club is a tasting space dedicated to sharing and discovering the Grand Wines of Burgundy.

Located in the 16th-century Maison Romane, home to the oldest cellars in the village, the Vosne Tasting Club combines the traditional charm of a Burgundian house with the exclusivity of a private club. This unique setting provides the perfect atmosphere to explore the complexity of Burgundy wines in a warm and intimate ambiance

# The Concept

The concept is simple: To open the doors of wineries usually closed to the public by sharing the exceptional craftsmanship of these winemakers—creators of great wines, whether renowned or yet to be discovered. We are passionate about unveiling this incredible heritage for you.

All our tastings are private and by reservation only. Open from Monday to Sunday, including public holidays.

Capacity: From 1 to 8 guests.  
For groups larger than 8, please contact us.

# Wine BATTLES

The work in the vineyard, the cultivation methods (sustainable, organic, or biodynamic), the harvest date, the vinification process, and, of course, the aging—each of these stages plays a crucial role in shaping the final character of a wine.

The aging process, in particular, has a significant impact on the taste and aromatic profile of the wine.

All these choices made by the winemaker and their team shape the character of a wine.

Through a selection of three wines—from the same appellation and vintage but crafted by different winemakers—we invite you to experience a unique perspective, allowing you to compare and appreciate the distinct styles and artistic vision behind each creation.
