## Description

The route starts in front of the church.

**(S/E)** Head north for a few metres until you reach the intersection with Rue Michel Carré. First turn left then right and head towards Les Frelats until you reach the next street on the right. Turn right onto Rue des Frelats, or shortly afterwards the road becomes a path which you should follow until you reach the road.

**(1)** First turn left then right and continue along the road opposite until you find a path on the left. Leave the road that branches off to the right and take the path on the left, ignoring the path on the left further on and continuing to the road.

**(2)** Cross over and take the road on the right until you reach the next path on the left. Turn left and continue until you find a road on the right.

**(3)** Ignore the road on the right and continue along the path on the left, ignoring another path on the left further on. Continue straight ahead through the woods until you reach the next intersection. Turn right until you reach a road. Continue straight ahead until you reach the crossroads.

**(4)** Ignore all roads and take the path on the left until you reach a road. Cross and turn right, keeping to the left until you reach the next path on the left. Turn left until you reach a road. Go left along the road until you reach a T-junction. Cross and turn right until you reach the next path on the left.

**(5)** Turn left until you reach a road (Cote 198).

**(6)** Turn left, ignoring a street on the left further on, until you reach the next path on the right. Leave the road that branches off to the left and take the path on the right, ignoring a path on the left shortly afterwards, until you reach a road. Continue straight ahead, ignoring a street on the left shortly afterwards, and continue straight ahead until you reach the crossroads (Cote 192).

**(7)** Turn left until you reach the next road on the left.

**(8)** Ignore the path on the right and immediately take the road on the left until you reach a crossroads with a transverse path. Turn right. Reach a transverse path. Turn right and arrive at a road.

**(9)** Cross over to take the path that leads to Les Poulets. Pass this locality to reach a Y-junction.

**(10)** Continue on the road on the left, ignoring the road on the left, and continue until you reach the D 57. Turn left, ignoring the road on the left shortly afterwards towards Les Frelats, and immediately take the road on the right to return to the starting point **(S/E)**.

# THE WALKER CODE

Visorando

by Visorando

## Before the walk

### CHOOSE YOUR WALK CAREFULLY

by matching its difficulty and duration to your skill and physical ability.

### CHECK THE WEATHER FORECAST

and look for other important information, such as snow, temperature, tide times, wind speed, fire risks, etc.

### BE PROPERLY PREPARED

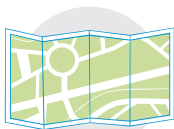

by taking suitable equipment with you, such as whistle, first-aid kit, appropriate clothing and something to eat and drink.

### LET SOMEONE KNOW

where you will be walking.

## During the walk

### STAY ON THE PATH

Follow local signs and keep to marked paths unless wider access is available.

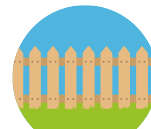

### RESPECT THE COUNTRYSIDE

by not damaging fences, fields and crops and not picking fruit or vegetables..

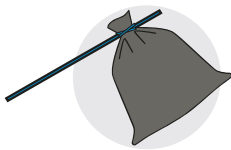

### RESPECT LOCAL RESTRICTIONS

such as bans on fires, barbecues, camping, fishing, swimming, etc.

### LEAVE GATES AS YOU FIND THEM

be cautious of farm animals : try to go around, not through herds or flocks.

### TAKE YOUR RUBBISH HOME

and do not leave any trace of your journey except your footprint.

### DON'T MAKE LOTS OF NOISE

and do be respectful and courteous to people along the route.

### KEEP YOUR DOG ON LEAD

and have it close to you at every crossroads of other users. Bag and bin its dog poo. Walking with a dog is not recommended on routes where there are farm animals.

### THE COUNTRYSIDE IS A LIVING ENVIRONMENT

that evolves with time. Waling is an adventure and there are risks associated with it. Be responsible, and know when it is better to give up and turn around than get into danger.
